

North Fulton Amateur Radio League

Date: Saturday, Oct. 22, 2011

Southeastern DX Club

Time: 9:00 AM —12:30 PM

HamJam 2011

Kay Craigie, N3KN of Blacksburg, Virginia and **President of ARRL** will be our lead-off speaker. We look forward to hearing her views on "The Future of Amateur Radio".

Tom Rauch, W8JI of Barnesville, Georgia will speak on "Antenna Myths". Tom is in his 49th year of ham radio, and has recently focused his efforts on transmitting antennas.

Eric Swartz, WA6HHQ of Aptos, California and one of the two founders of the Elecraft Company will speak on "Starting a Ham Radio Company".

Highlights

- ◆ Outstanding program featuring three world renowned hams
- ◆ Q&A opportunity to ask Kay, Tom and Eric your questions
- ◆ Admission is **FREE** — there is no charge to attend.
- ◆ Kay, as president of ARRL, presides over a membership of 150,000+ Hams. The organization also publishes QST.
- ◆ Tom has done work in many areas of amateur radio including amplifiers, test equipment and antennas. You may see some of his work at his web site: www.w8ji.com.
- ◆ Eric is a co-founder of the Elecraft Company and has been instrumental in bringing to the marketplace many innovative products. Visit: www.elecraft.com.
- ◆ HamJam is a yearly event for ALL amateurs and non-amateurs alike and is for the benefit of the general public.
- ◆ The goal of HamJam is to bring world class speakers to the Atlanta area for the enjoyment of all.

For more info go to: www.hamjam.info

Donors will receive the opportunity to win a Kenwood TS-590S HF rig, an Elecraft KX3 or a Kenwood TH-D72A plus much more!!

Proceeds beyond expenses go to the NFARL & SEDXC youth scholarship fund.

Sponsored by www.nfarl.org and www.sedxc.org
